YUZUHA OUGI

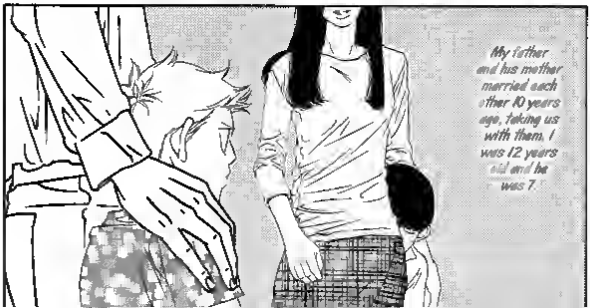
Momoki Asuka 22, single.
Since the spring, I've been provisionally working for the sales department of a major advertising firm.
singing enthusiastically
Clouds Under the sky
Flow ers..
I'm doing pretty well at work.
I'm a bit tired of the wining and dining and parties that take place every day and every night.
Eeek! He's from work!
THANKS
And yet

HEY, DO YOU WANT TO GO SOMEWHERE AFTER THIS JUST THE TWO OF US?
Because I've been suffering from impotency for a long time,
SORRY I'VE BEEN CALLED TO DO SOME UNRELATED BUSINESS AFTER THIS
I'm still a virgin.
Yeah, it's not that I'm not popular. I'm a prude.
HEEEEY! MOMOK!!!!!!!
SIGH. HANG-OVER.
IS MOMOK! YU! REALLY YOUR BROTHER?
creak
contempt-o-rama
My

younger brother, whom I'm not related to by blood,
SOME OF THE HIGHER-UPS WANT TO KNOW IF YOU CAN GET THEM INTO THE FILMING OF A COMMERCIAL. CAN YOU SWING IT?
.....
Manoki Yu, played a big part in that.



My father and his mother married each other 10 years ago, taking us with them. I was 12 years old and he was 7.

tha-dumB
Asuka hurry up, let's go!
DON'T FOLLOW ME!!
My mother had passed away long ago, and my father and I lived alone together. Then suddenly this new family appeared.

dash!!
GO AWAY!! GO HOME!!

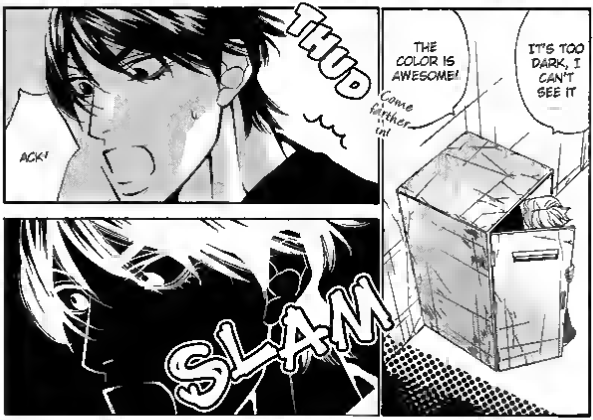
At first I was perplexed by the idea of having a little brother.
but up until THAT SUMMER.
I think we built a good brotherly relationship.

YUIIIIIII!
CLIP?
CLIP?
CLIP?
THAT SUMMER
I was 17, and he was 12. Every year, our family went to vacation at a resort hotel run by a friend of my father.
Yui looked up to me, and was surprisingly tall and mature-looking for his age.
ASUKA
LET'S GO TO THE SECRET BASE!

ACK! WHAT IS THIS BUG?!!
This place is
The truth is, I spent more time with him than with any of my friends, and enjoyed it more.
Because he didn't look his age at all, we were often mistaken for friends.

C'MIN HERE AND TAKE A LOOK!!
Yeah, like always.
We found a break in the fence and made it our secret hideout!
NEVER SEEN ONE OF THESE BEFORE. IT'S POISONOUS. POISONOUS!!
WHICH ONE?
...and surrounded by barbed wire, and was such a dangerous place that the locals stayed away from it.



THUD
ACK!
THE COLOR IS AWESOME!
Come further in!
IT'S TOO DARK, I CAN'T SEE IT
SLAM

Grr mm-mm

I worked up a sweat here
SIGH
IDIOT! OPEN THE DOOR ALREADY!
PALM PALM
HEY... REALLY!
STOP!
HEHE-HEEEE

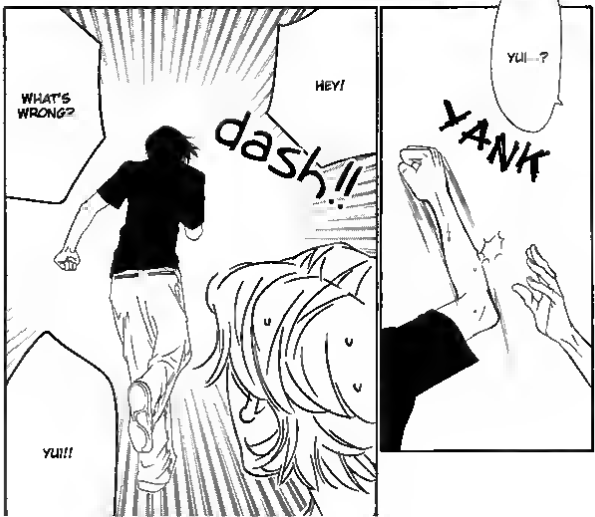
HUH?
click click
HEY!
DON'T FOOL AROUND WHEN WE'RE STUCK IN SUCH A TINY SPACE!!
The door was rusted, and wouldn't open
HUH?
It won't open
YOU GOTTA BE KIDDING ME!
So we were stuck in there for close to an hour
YOU BASTARD!
YOU'RE HOPELESS!!
WH-... WHAT SHOULD WE DO...?
Hmmm

WHAT'S WRONG?
YOU HAVE TO GO TOO?
YUI ...?
SIGH
IT'S HOT IN HERE ...
AND I HAVE TO GO...
What did I do?

The things I remember clearly are Yui's long eyelashes, which trembled
and his cheeks, which were flushed as though he was in pain...

HEY, MAKE SURE NOT TO TELL MOM AND DAD ABOUT WHAT HAPPENED!!
If you tell them, we won't be able to go there anymore
Sigh
I WAS WORRIED!
In the end, the door opened and we were able to get out, safe and sound.

Yui began acting strangely.
Starting then...

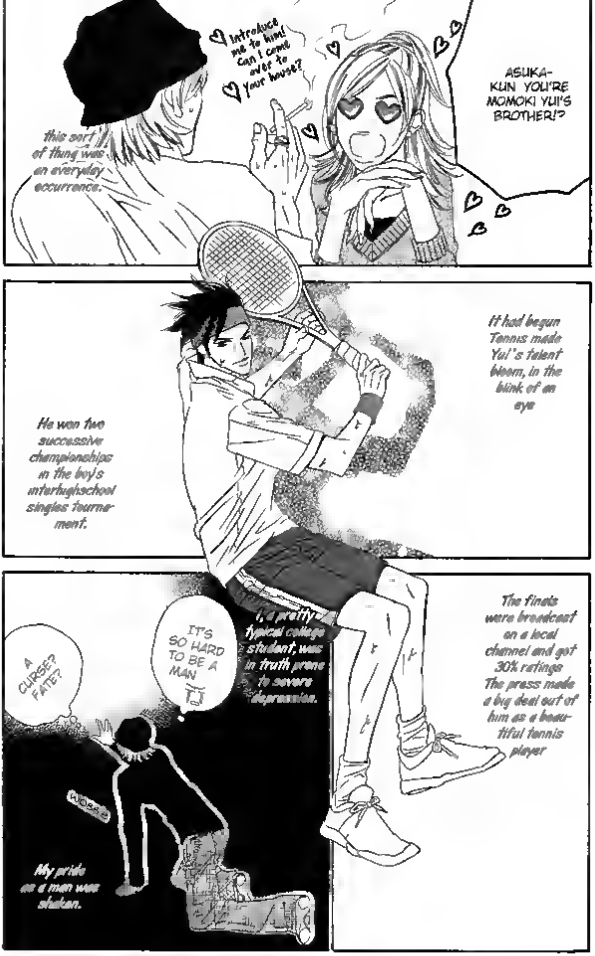


WHAT'S WRONG?
HEY!
dash!!
YUI!!!
YUI...?
YANK

there were moments when I felt really, sometimes
Yui had always been quiet and had few friends, but he always talked and laughed with me.
We weren't connected by blood, but sometimes
as though our minds were connected, even without us exchanging words.
HUH? WHAT?!!
But
OH YOU DIDN'T KNOW?!

IT SEEMS YUI JOINED THE TENNIS CLUB
THE MIDDLE SCHOOL TENNIS CLUB IS QUITE GOOD, APPARENTLY. I HEARD THEY TOOK SECOND IN THE CITY TOURNAMENT LAST YEAR
APPARENTLY PRACTICE IS RIGOROUS BUT HE SEEMS TO BE SCRAPING BY SOMEHOW
HE GOT UP AT 5 THIS MORNING FOR PRACTICE
Yui was clearly avoiding me.
after THAT SUMMER...
I'M OFF!
click
Even though we saw each other once in a while...
It became a rare occasion for us to see each other at home.
Between morning practice, practice after school, and training camp, his schedule was crazy.

Around the time when Yui turned 14,
he outstripped me in both height and weight, and didn't look like a middle school student at all.
It became an everyday occurrance for women with crushes on Yui to come to our house.
WHAT!? REALLY!?
And for me



this sort of thing was an everyday occurrence.
Introduce me to him! Can I come over to your house?
ASUKA-KUN YOU'RE MOMOKI YUI'S BROTHER!?
It had begun Tennis made Yui's talent bloom, in the blink of an eye
He won two successive championships in the boy's interhighschool singles tournament.
The finals were broadcast on a local channel and got 30% ratings The press made a big deal out of him as a beautiful tennis player
A CURSE? FATE?
IT'S SO HARD TO BE A MAN
WHAM!
My pride as a man was shaken.
A pretty typical college student, was in truth prone to severe depression.

PORN CHECK
LUBE CHECK
But what really took the cake was the following incident
NOTHING TO CRITICIZE ABOUT THE SIZE OR THE ANGLE!!
How's that?
PURR
ahem
AH GONNA COME
Ah
Ah
THIS IS THE ONLY THING FOR A MAN TO DO WHEN HE'S LOST HIS CONFIDENCE AS A MAN!
I never thought that this night

would be the last time that I could—
safely affirm the existence of my "little me"

After that, my little me stayed perfectly still, reflecting my deeply damaged pride.

The days and months passed thus.
And now back to the present
Hah... He saw me in an embarrassing moment
In the end...
Just as I've become a company employee, this spring, Yui is going to study abroad in America, for tennis.
THAT SUMMER...
Yui and I never exchanged words again after THAT SUMMER.

During the hour we were trained inside our cells
I don't know what happened to Yui
with those cold eyes.
He smashed my pride as a man to pieces,
WHAM
!!
It's started getting hard again
Now that Yui and I in Japan, my rehabilitation is going well, and I've been regaining my confidence as a man a bit lately

AND HE SAYS HE'S GOING TO GO WITH US ON OUR TRIP NEXT WEEK!! YOU BETTER TAKE ME WITH YOU TO YOUR SECRET HIDEOUT THIS TIME!

ASUKA-NII!?
WHERE ARE YOU GOING ASUKA-NIIIII?
No waaaaaaaaaay!!

Who shouldn't be in Japan right now, my "little me" shrunk right up!!
I realized without a doubt that just from seeing shoes that belong to Yui,
UO-OO-OH!
Of all the bad luck.....!! It seems my wounds run deeper than I imagined.

HE REALLY GOT ME! SHIIIIT!
WHEW!

I guess my only option is to move to a world where Yui doesn't exist
If he looks at me with those eyes again,
I'll really become impatient again...

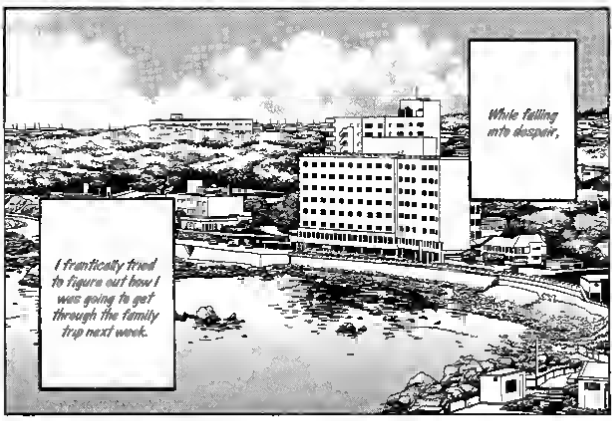
spoke to me like he used to,
and touched my lips with surprising gentleness.

The next morning,
I woke up with a terrible hang-over. When I went to the entrance,
Yui's shoes were there, after all.



While falling into despair,
I frantically tried to figure out how I was going to get through the family trip next week.

It's really surprising that I'm expected to go on family trips at my age
It seems that guys my age usually stay home while the family is away on a trip and have their girlfriends over
ASUKA-NII, YOUR FACE IS SCARY
Got a problem with that?!!
Actually, I'm a virgin.
Hunh. I love my family
But sorry, I don't have a girlfriend.

ever since THAT SUMMER, Yui has been busy with club activities and hasn't come with us
A friend of my father's manages a resort hotel here at the hot springs in Hakone, so we come here every year, but...
For some reason, he's suddenly come back from America and has suddenly decided to come with us
But things are a bit different this year.
This has really gotten me down.
And just when my "little me" was starting to show signs of reviving...
Asuka-nii, what's wrong? Hurry up, let's go!

But just from me seeing Yui's shoes, it's hustled away again

He's making it impossible for me to recover!!

I WONDER WHAT TIME IT IS... I DON'T HAVE A CELL PHONE
Even if I did have one, this place probably doesn't get service.
WOW... WHAT AN EARTHQUAKE
I'M SURPRISED THIS PLACE DIDN'T COLLAPSE... I THOUGHT I WAS GOING TO BE BURIED ALIVE.
I wonder if everyone's okay
Right now, I'm thankful from the bottom of my heart that Yui came on this trip.

I BET YOU DON'T REMEMBER WHAT HAPPENED THAT SUMMER 5 YEARS AGO
WHEN WE WERE TRAPPED IN HERE, ANYWAY

AND YOU ARE ACTING SO STRANGELY NOW!! CAN'T YOU JUST GIVE IT UP...
JUST LISTEN...
IT'S STRANGE THAT WE'RE TALKING LIKE THIS NOW, SINCE YOU'VE BEEN AVOIDING ME....
BECAUSE ... YOU'VE BEEN IGNORING ME EVER SINCE
...THAT'S NOT TRUE. I REMEMBER IT CLEARLY EVEN NOW.
I CAN'T DIE WITH THINGS LIKE THIS
AND YOU DID THAT TO ME...
THAT SUMMER, YOU WERE BEING STUPID AND GOT US STUCK IN THAT OLD LOCKER,
ALL ON YOUR OWN...
I DIDN'T DO ANYTHING! YOU JUST GOT QUIET
YOU SAID YOU HAD TO GO TO THE BATHROOM, AND THEN GOT QUIET ALL OF A SUDDEN
THAT ...?

HANG ON, YUI!!
DON'T TRY TO HOLD IT IN! JUST GO AHEAD AND GO HERE, I WON'T TELL ANYONE, I PROMISE!!
HUH...? DO YOU... HAVE SOMETHING HARD IN YOUR POCKET...?
IT'S BEEN POKING ME IN THE BUTT...
OH!!
HMM ...?
DO YOU HAVE A FLASHLIGHT?!
WHY DIDN'T YOU TELL ME?!

WE WERE STUCK TOGE-THER IN THAT CRAMPED LITTLE SPACE THE SMELL OF YOUR HAIR AND THE SMELL OF YOUR SWEAT, THEY
Huh ...?
Wh- What ...?
AND YOU, BEING SO INSENSITIVE, WERE TOUCHING IT... AND THEN FINALLY I MESSED MY PANTS... I WAS ONLY 12 YEARS OLD!
IT'S YOUR FAULT... IT'S ALL YOUR FAULT!!
I BECAME IMPOTENT AFTER THAT!!

NO MATTER HOW MUCH I RUBBED IT, IT DIDN'T RESPOND AT ALL. I GOT DEPRESSED, AND I RESENTED YOU...
I WANTED TO IMMERSE MYSELF IN SOMETHING SO I STARTED PLAYING TENNIS... AND THEN!!

ALTHOUGH YOU DIDN'T SEEM TO NOTICE AT ALL...
THERE WERE ALWAYS STALKERS HANGING AROUND OUR NEIGHBORHOOD, A NEW ONE EVERY WEEK. THEY WERE AFTER YOU
I FELT UNEASY ABOUT IT,
SO I WAS ALWAYS PRETENDING THAT I HAD PRACTICE IN THE MORNING, LEAVING EARLY SO I COULD KEEP WATCH OVER YOU, AND SKIPPING PRACTICE TO FOLLOW YOU SECRETLY
I DID THAT EVERY DAY, BECAUSE I WORRIED ABOUT YOU...

I THOUGHT THINGS COULDN'T CONTINUE THE WAY THEY WERE, SO I DECIDED TO STUDY ABROAD. BUT YOU WERE ALL I COULD THINK ABOUT.
I COULDN'T DO ANYTHING, COULDN'T SLEEP. I COULDN'T TAKE IT ANYMORE, SO I CAME BACK.
AND THEN I REALIZED THE TRUTH.

Perhaps thanks to Yui's good reflexes, we escaped by a hair's breadth, but we jumped out onto a steep slope.

Steep slope
This is what a diagram of it would be like. Because of the fissure caused by the earthquake, the place that was half underground completely caved in.
Yui was uninjured
It's a little saddening, but the two of us went through some bad stuff because of that place, so I guess it's all right
Well, it's really my own fault but
It seems that this autumn, the ruins will finally be dismantled and will be turned into an empty lot

There's a part of me that thinks it must be "that"
Even when someone is important, sperm is produced every day, and must be emitted from the body.
Wet dreams two or three times a week accomplish that, but
Yui always appeared, for some reason
... in my wet dreams.
In other words, I wasn't really all that chaste

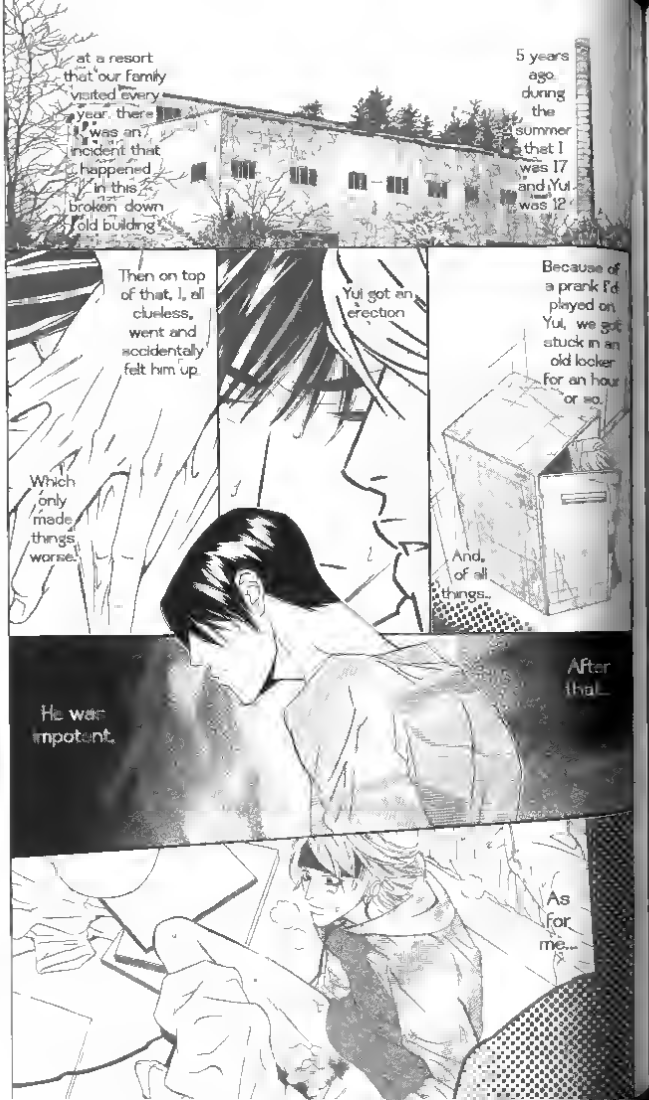
BROTHER

Asuka...!!
Yui-~!
Hello.
Yuuuuuu!!
Ohhh!
Can I have your autograph?!
Take a picture with me, please!!
Eeeeek!!
Eeek!
Yuuki-kun!
I'm Asuka Momoki, 23 years old, been working at a company for the past 2 years.
And this guy.
Is Yui Momoki, 18 years old, currently a high school sophomore.
He had to repeat a year because he was studying abroad
Don't shove!
What are you doing here? You said you were going out...
Got cancelled at the last minute. I had free time, so I came to watch.
Mom and dad said to tell you they're waiting in the car
He's my younger step-brother
Hmm?
scoot scoot
What's the matter?
distance
nothing
Game and set, Yui Momoki!
whizz
Yeah~! Go Yuiuuu!!
Whoa~
Damn... he's really kicking ass, isn't he..

We're close.
You might say...
I dunno... they said it was a game and went to their rooms.
Hmm? Where'd the boys go?
Don't they want dessert?
Hmm... it's probably a game just for boys. Hahaha
He thinks it's a naughty game.
we're too close!
Mmm...
Ah!

I'm just all sweaty
10 years ago my father got remarried to Yui's mother.
Doesn't this paint a bright, heartwarming picture? The entire family out together on holiday to cheer on their son— it just oozes happiness.
Now, we have a six-year old sister, Shiori, making us a five-person family.
Tell me a funny story—!
I'm bored!
Hey!
Asuka-nii—
Boo~!
I knew that
It's really dangerous!!
That's dangerous— you should face forward when the car's moving!
And put your seatbelt on!!
Hey!!



at a resort that our family visited every year, there was an incident that happened in this broken down old building
5 years ago, during the summer that I was 17 and Yui was 12
Then on top of that, I, all clueless, went and accidentally felt him up
Yui got an erection
Because of a prank I'd played on Yui, we got stuck in an old locker for an hour or so.
And, of all things..
Which only made things worse.
He was impotent.
After that...
As for me...

Oh..
Nnn..
Incredible... just touching your chest gets you all worked up
Cuz you're sucking so hard
Haa..
kiss
kiss
kiss
Ah...
Haa...
Nnn...!
kiss
We're this close now but just a few months ago
Hmmm
Well then...
We lived completely separate lives and hardly spoke to each other
Ahh..
Maybe I should suck hard on this too

Aaah...!
slurp
Ahh...
"I'd fallen in love with you"
"I suddenly understood..."
Mm... watch out.
I'm about to..
slurp
slurp
slurp
come
...
choo

And then, I was impotent too.
Hehehe
"Pathetic"
I thought we'd spend the rest of our lives like this, not exchanging a word
For a long time we avoided each other, us, virginal Momoki siblings, and carried those traumatic secrets in our hearts
Again, we got stuck, but this time, there was no hope of rescue. As we prepared ourselves for inevitable death...
But last summer, for the first time in 5 years since we visited that building, another incident occurred.

ended up like this.
the siblings...

Ahhaaa...!

Hello?
Next time there's a holiday...
Pa ra rin ra ri ran ran rara Pa ra rin! ra ri rari rari rara
Really? Right, of course— really? Next weekend? Hey, good job man!
So much for it all with that check?
Oh hey! By the way you're a dick for canceling on me.
.....
Hahaha! Don't be such a dumbass!
How should I know? Hahaha!

Even the water tastes good~!
Yes siree, a bit of pre-bedtime exercise is important!
.....
After having suffered from impotence for so long, I was reclaiming pieces of my masculinity day by day... I was completely wild.

We lived in the same house and our rooms were right next to each other.
so we could be together without having to sneak outside and meet up somewhere else.
I've never known anything else so I didn't have much basis for a comparison, but we were definitely hot for each other's bodies.
Ah well, let's sleep! Sleep sleep sleep.

Hey—
.....
Having a partner is the best thing ever
Don't you think it's a bit cramped?
room's over there

Asuka
Fidget

Wanna head home together?
...yeah
How weird, running into you at the station
...sure.
Of course, until just last year, we were so out of from each other that even if we'd noticed we wouldn't have commented on it. These days though...
Since I had to attend work-related get-togethers so often, there was usually no telling when I'd be home. Yui also came home late because of tennis practices.
Yeah... dinner's only half ready, and I'm hungry now.
It's a nice night. you want to go have a snack or something in the park?
A few days later—
10pm...?
I'll be home pretty early today
Hm ?
That's
He—y!
Yui~!!

THIS...
I guess so
Practice, huh? That's really cool. So you've gotta do something every day, huh?
THIS...
And to think that I quit soccer after 3 days because practice was too strict.
Ha ha ha!
.....
THIS IS REALLY AWKWARD!!
What should I do
si ence
...
...
Thanks, come again!
SUPER
We left the convenience store...
.....
Shuffle Shuffle
The walk back to the house was less than 10 minutes.
Walked around the edge of the park and then strolled through the neighborhood.
We've got a new place to practice so I usually stay late
Man I'm tired!
Do you get back this late every day?
I had no idea cos I'm always late too
Yuri's always been quiet and it's not like we have any shared interests...
tap
Come to think of it, I should have expected this... after all we went 5 years without talking to each other.

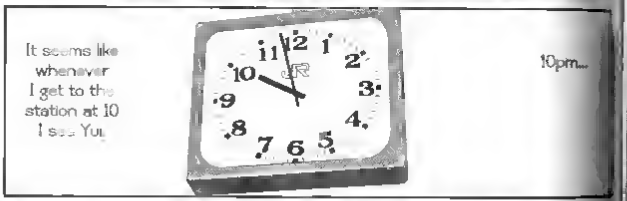
The next day

Yeah, something like that
The park—
But I think I need to use the bathroom. Let's just head home.
That's right.
okay
Isn't it over there?



It seems like whenever I get to the station at 10 I see You
10pm...

When it's just sex I don't have any doubts, but...
.....
It made me happy and I fell asleep feeling good.
Last night, after we got home, we had sex, as usual.

silence
when we're not having sex...
the conversation just DIES...

Asuka!
One evening, I went home earlier than usual.
I'd been invited out to another drinking party, but I flat out declined. I had a strange sort of calm certainty as I headed toward the station.
It's not even 9 yet.

Anyway, after that, I ran into Yui at the station 3 days in a row
For 3 days straight, we walked home together in awkward silence.
Yui!!
I guess it can't be helped.
kucha
kucha
kucha
.....
Yeah he's not here... Hmph
I probably won't see him, since it's already so late
Hmm, I ran a bit late today. I won't be at the station until 10:40

Eeeeh!
He's here today too!
If my hunch was correct
You're right! He's totally hot!
Isn't he? Should we say something?
Perhaps
For the past few days he's been sitting here every evening
Should we say hi or something?
It's obvious he's waiting for somebody
His girlfriend, no doubt
Perhaps Yui would be...

We left the convenience store.
Walked around the edge of the park, and then strolled through the neighborhood.
Hey look, a full moon!!
The walk back to the house was less than 10 minutes.
Wow...
It's so pretty...
right?
Coming?
.....

I finally realized
Yui's always been quiet and of course, we don't have any shared interests to talk about.
But...
those 10 minutes between the train station and home
were precious to me because that's when Yui and I could act like lovers.
The park.
It's that way.
rustle

We added a stop at the park to our walk home.

At a time like this!?

Sex after our "dates"

Because...
I wanted to be Yuri's lover—
Haa... ah!
Uhnn
Yuu...!

You wanna go somewhere?
...alright
Because after I asked him on a proper date...
I wouldn't even mind if Yui stopped waiting for me at the station...
Crammed and uncomfy
No! I told you, we have no vacancies!
We fell asleep together for the first time.

Asuka...
Of all the sex we've had...
I like this kind the best.
Mm...
So next time we have a holiday...

BROTHER

He~~y!
Oniichan, where are you going??
We're...
living in the same house and we're hot for each other. When we can, we go out for a date— life is pretty good.
Having a partner is the best thing in the world.
So where are we going?
Sure, sure.
Waaah!
Shiori wants to go too!!

We've got basketball's Yamamoto-san, baseball's Sakaki-san, who else?
Recently, my company's been producing commercials for a super-famous sports drink.
They're sponsoring 3 amateur high school athletes — the theme is "fresh talent, fresh taste"...
Ohhhh...!
thwack thwack
The public's response to tennis player Yui Momoki-kun has been amazing... I heard that even client headquarters can't keep up with the fan mail he gets.
Really!? That's fabulous, Asuka!
When we first asked he flat-out said no
Asuka talked him into it, we owe him one.
He he
What I'm keeping to myself...
...is that Yui Momoki is my step-brother!

love♥
love♥

Asuka, you.
Yes?
They have fireworks!
The folks at the shrine across from the station are having a festival let's go
I was waiting for you cuz you don't have a phone.
I don't mind waiting
H— hey!
Wait up!
And then...
There's no big rush!

My biological mother's been dead for as long as I can remember.

10 years ago my father married Yui's mom
Yes Asuka said he was going to meet Yui at the station.
Ohh!! Cotton candy!
And now we've got a little sister too.
We've become a family.
What are you doing?!
Welcome, welcome!

I just forgot to put them on, that's all.
And it's not like there's anybody around.
I was horny horny horny horny...
I don't believe this!
Actually, in the week that Yui was gone...
Why aren't you wearing underwear?!
Sorry Asuka, but I'm going to dive right in...
I was about to go crazy with it.
I'm at my limit
Haaa Grr
Haa...
Mmm...
I wanted to feel Yui so bad... somehow I made it through the week...
Aah... ahh!
I was looking forward to seeing him again and couldn't be bothered to put on underwear
sproing
It turned into this kind of relationship.
Hmm...
mmm...
you're being feisty
You know, since you were at that training camp...
We've been abstinent for a whole week.

Of course.
Amazing is it really...? This is something the rumors left out!
I'm in high school, after all.
I'm addicted to this

It really scares me

Momoki-kun! Remind your brother not to break his nose or anything!
Thanks, you're...
Whew!
Good work, guys!
So tomorrow we're doing the shoot for the last poster.
Yes, sir.
Hey, Asuka, wanna join us for a drink?
It's only a bad memory for so much time then I get over it, but then I start worrying again.
These days we're not so happy
Where's Yui?
Welcome back, Asuka.
Would you like dinner?
Are you cold?
I'm home!
And the cause of my troubles
He's already asleep. He's been up at 5 in the morning for the past two days.
Eh...

Ahhh...
So happy it scares me.
Haaa...
Aahh.
It's frightening how happy we are
And to think that until this, it was just memories of that summer vacation.

Why? Is it like this for all couples (not counting college students)? Does one's sex life just stabilize to once or twice a week?

So of course sex is for weekends only.

Yui...

Is everyone else satisfied with that?

I—

I woke up a little while ago.

Even Shiori's still up

Asukaaaa! Welcome home!

Let's play!

Lately, suddenly, without a doubt...

But it's not even 9 yet...

Oh, and I ruined my appetite by drinking.

The number of times we have sex is dropping~!!

No doubt about it, it is dropping!

Welcome back. Work hard.

I'm home.

Mmm

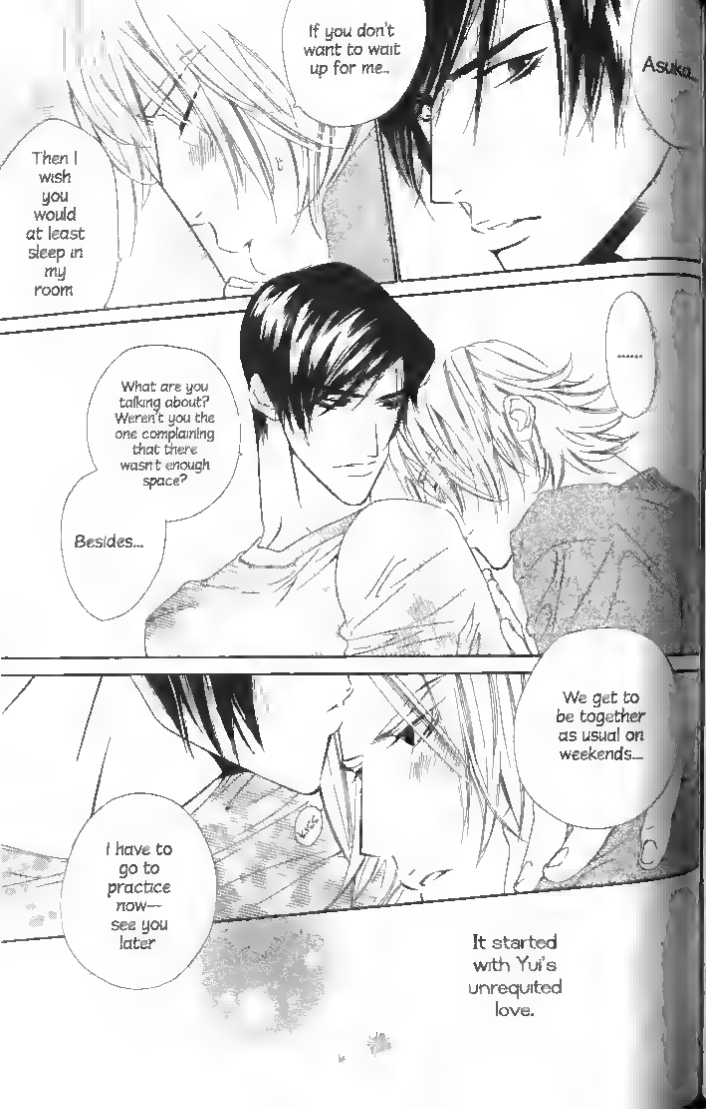
From the start, our schedules weren't very compatible... after all, I worked full-time and Yui was in high school. I'd begun to take it for granted that he would wait up until I came home, rather than going to sleep.

But lately we're not even doing it that much

He doesn't wait up for me, and he hurries off to sleep in his own bedroom.

And he's suddenly added jogging or some such nonsense to his morning routine



If you don't want to wait up for me..
Asuka...
Then I wish you would at least sleep in my room
What are you talking about? Weren't you the one complaining that there wasn't enough space?
Besides...
.....
We get to be together as usual on weekends...
I have to go to practice now— see you later
It started with Yui's unrequited love.

This really is the last time.
If this weren't a favor for you, there's no way I would have done it.
Yeah.
Thanks for agreeing to do the poster photos.
On the school's tennis court, today at 4 o'clock. I've already let my coworkers know
The scent of him, after he first wakes up...
I know, and I'm sorry... it'll be over soon... thank you.
so hot...
It's that fleeting smell of sex...
Oh well, it doesn't matter... It's making mom and dad happy
It's not like I'm holding it against you, that's not how I am.
I want to fuck—

Haa
Nnn...
I won't be satisfied with Yui.
Yui...

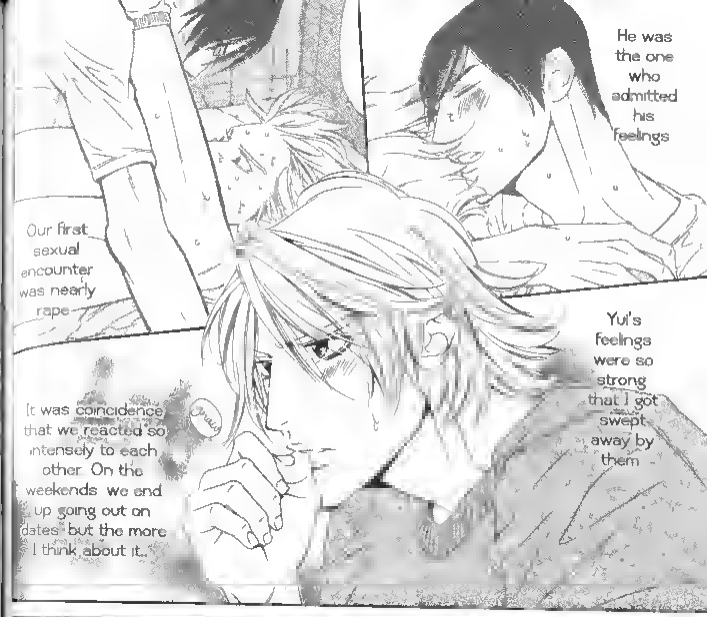
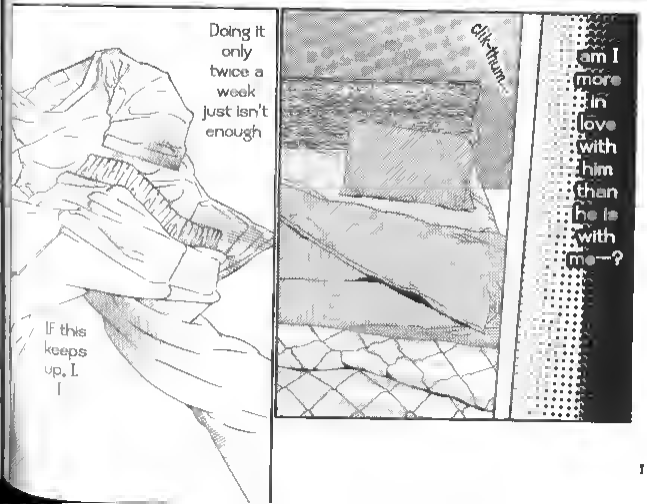
"Asuka..."



He was the one who admitted his feelings
Our first sexual encounter was nearly rape
It was coincidence that we reacted so intensely to each other. On the weekends we end up going out on dates, but the more I think about it...
Yui's feelings were so strong that I got swept away by them



Doing it only twice a week just isn't enough
If this keeps up, I, I
click-thum...
am I more in love with him than he is with me—?

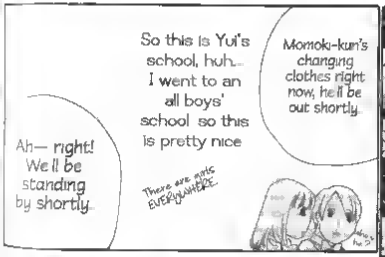
Sleep in my room! I want to sleep together!
"All of a sudden they put way too much effort into it and the sound of their voices makes me shudder"
BEFORE
There's not enough room for two...so when we're done you go sleep in your own room.
"If you're feeling kind of down from stress, it can make you feel good"
Ahh... uhm?
AM I... A'LAND MINE' TYPE OF PERSON?!
B
A
M!
Land mine...?
A downright dangerous kind of woman.
For instance, if you're feeling kinda down from stress or a break-up, a nice woman can make you feel good right? But you try sleeping with her not meaning anything by it, and the next morning, she's wearing an apron and she's fixed you miso for breakfast, the whole 9 yards.
Sure enough they start bombarding me with mail, and ambush me by phone and they end up stalking me.
That's why breaking up is such a hassle.
When they start that "it's over" it's over.
Aaaa, if "we're gonna get married, right?"
Eat up!
All of a sudden they're freaking desperate! And they put way too much effort into it... just the sound of their voices makes me shudder— I lose my appetite, it's so awful.
AH—!
Hahahaha! It's because you're too picky, Hiragi-san!
You got what you deserve!
Hmm ?
Haha the way you nibbled the rascal! Such a change!!

thwack
You're losing your temper—Momoki-sempai.
Drooling blood in public
You're damned right.
whoosh
Next up!
Momoki-kuuuun!
Ahhh
I can't concentrate with this many people gawking at me
So Momoki-kun will become the player that represents Japan? By putting him on display in a commercial that pisses him off?
He doesn't want to have anything to do with celebrities.
It makes me so mad.
What is Momoki-kun's brother thinking? If I were him, I would've refused, even if the company had ordered me.

BAM!
Pong
Then I wish you would at least sleep in my room...
BAM!
If you don't want to wait up for me
Crap!
I can't be patient like Hiragi-san says to be!
BAM!
I can't handle it!!

It's you...
Quite a crowd...
There's no doubt that I've grown used to seeing Yui's handsome figure, but somehow...
He's absolutely dazzling today—

Now that you mention it, I heard that this is the first year Momoki-sempai isn't going on the tennis club's ski trip.
Yeah...
I'm not giving up though. I'm going to keep inviting him right up to the very last minute...
Sorry! This is Tosai Productions, sorry to intrude.
I've got everything together
Hehh, don't wander off!

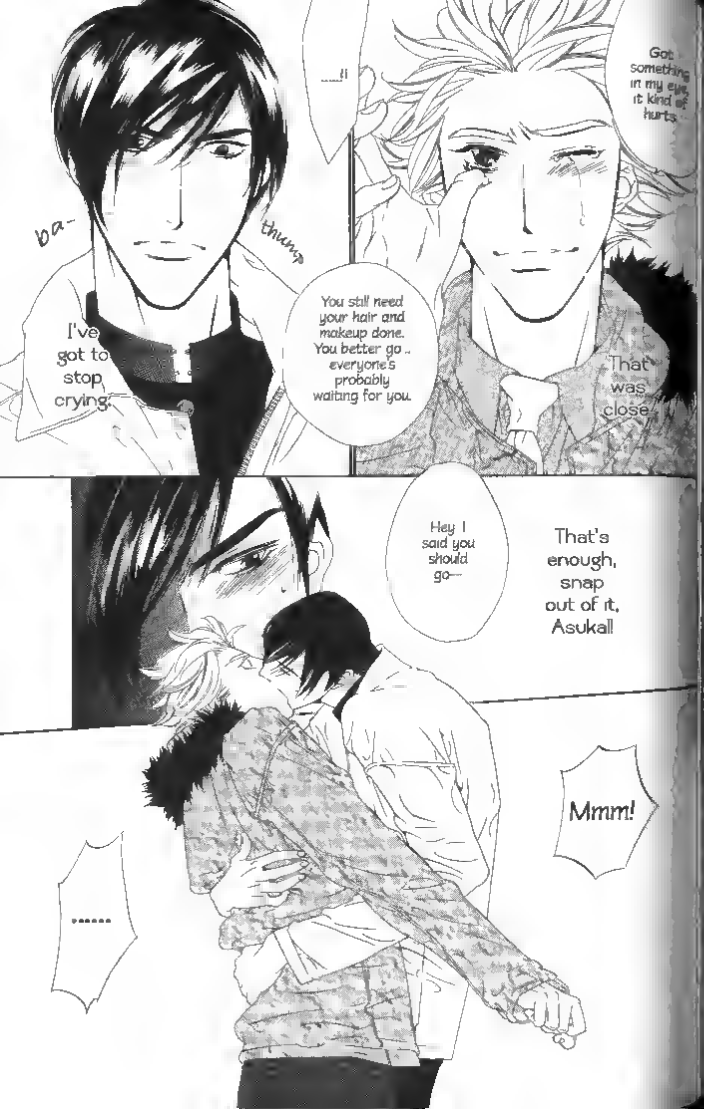


So this is Yui's school, huh... I went to an all boys' school so this is pretty nice
There are girls EVERYWHERE
Momoki-kun's changing clothes right now, he'll be out shortly.
Ah— right! We'll be standing by shortly.

So, this is what they call "youth."

We'll be done after a few takes. I apologize for the disruption.
No no, Momoki-kun is our school's star— the principal's very excited about this! Please don't worry about it.

A 5 YEAR AGE GAP
Yui is 18 and still in high school.
Haa...
I'm 23 and already working in the corporate world.
Haa
For the first time, I understood what that really meant.
It's chilly now. You're going to catch a cold!
I told you, I'm fine.
Ahhh!!
Yui-kuuun!!
The first time I saw Yui at his school...
Yui Momoki-san-- can you come over here for hair and makeup please?
No matter how much I tried to deny it, I could see that youthful vitality in him.
And his feelings for me, well, the fact that he noticed me during his confused years when he was a virgin...
It's no wonder!
The meaning of a 5 year gap when you're an adult versus a 5 year gap when you're still in high school is completely different.



ba-
thump
I've got to stop crying.
....!!
Got something in my eye, it kind of hurts.
You still need your hair and makeup done. You better go .. everyone's probably waiting for you.
That was close.
Hey I said you should go—
That's enough, snap out of it, Asuka!!
Mmm!
.....

screech
Asuka!!
He's not like me. He'll fall in love with girls the way he's supposed to, and that won't be any surprise either—
What's wrong?!
Are you feeling alright?
.....

Snap out of it already, Asuka.
Hey—
We're ready to go
What were you doing?
Yaaaaay—!
Sorry sir!
I got lost looking for the toilets.
Bring out the star!
Yes I was. Yaaaay
But this sort of excitement is really something.
I'm surprised—been a while since I've seen anything like it.
It's amazing how worked up the crowd is. Sure, we've got some TV celebrities on the set...
Hey kid give us your b alright
Asuka...
Hold on...
Yui!!
Haa
Cut it out, I
I'm at work!
SHO

I said stop it!!

Yes, he just got out of the bath
Awfully sudden, don't you think?
Aw! no!! Let's play!
Are you doing alright on underwear? Should I send you some?
I'm fine! There are stores here, you know!
Yui, it's Asuka—
The business trip was a lie— I didn't want to go home
This way, little by little...
Yeah— sudden business. I'll be gone until Monday Yeah no, it's not because I'm in trouble.
If I could create some distance...
If I did that, then maybe we could go back to the way things were
I'm sorry.
I told you not to worry! Go on your skiing trip— it's a yearly tradition, right?

You know, you don't seem much like a high school kid.
HUGG
What? A business trip?

BROTHER

For what I did while you were working.
That time, when Yui accidentally saw me crying.
I'm sorry,
Asuka.
Can we go back to being...
It's alright! Don't worry about it. He. he.
...normal brothers?

By the time I was old enough to remember, my mother was just a person in a photograph.
My memories of our so-called "family" started here...
For 5 years we hardly spoke, but the whole time.
When Yui, my ordinary little brother, developed romantic feelings for me, his older brother things got complicated.
zzz zzz
Mmm.
He held onto those feelings for me

Hello, can you hear me?
I'm not getting much signal out here, the line's breaking up...
Just kidding, leave a message...

Momoki-kun!! The bus is about to leave!

Why don't you have a cellphone? Isn't that inconvenient?

Ooh... Mm...
I on the other hand— until certain parts started to malfunction...
..had been feeling increasingly pressured by my unusually mature younger brother I became impotent and spent the flower of my youth in darkness.
It didn't help that I'd always been a late-bloomer I couldn't even get girls to like me, much less find a girlfriend.
Eee!
Ohhhh!
In other words—
These feelings for Yui were...
Mm..
Mm!

Shiori caught a cold~ So we decided to come back a day early
Her fever wasn't serious, but still
I don't know whether things have cooled down or whether things are on the decline...
but at the moment, Yui's being distant.
Someday
There'll come a day when he kisses someone else
And then I'll...
I'll—

"Business trip"—like hell it is
Asuka...
I should've known I'd make him angry doing that
I wonder if he's with that guy Mitsue
I still can't believe it. Is that kid really in high school?
He is! A bonafide 18-year-old
He had to repeat a grade, so he's a sophomore
So he can't even buy a cellphone without a parent present
That's illegal
W.C.
Reminds me of when I got taller than my dad. Gave him quite a shock
Though when he's not wearing the school uniform he looks older than you
In any case he's really popular
Shit— it almost makes me jealous

Momoki-kun's luggage got lost?!
Didn't they check that before we got on the bus?!
Yes but Momoki-kun's is the only one missing
Hello, can you hear me?
I'm not getting much signal out here...
Well, make sure you look everywhere for it! Did you call the station?
Yes but there are so many buses they're not going to find it right away
.....
Then go back and look for it, you twit!
Ah— Momoki-kun!

Jeez, you worry too much. Can't even manage on your own can you?
Well if someone gets sacked it won't be me.

A bus heading for a ski resort in Ochishi lost control and overturned, injuring many of its passengers
That's where Yui is...!!

He's still at work, he hasn't seen the news yet.

I said the traffic jam!
Momoki-san?
Yui Momoki-san?
You received a phone call earlier, from a man named Asuka-san
He said that he would be waiting for you.
at the shrine along the path through the woods.

Asuka!
Where are you?!

The previous evening...
My— my— my little brother...
He might be injured. Please, let me keep going

Locals could probably make it through at night, but it'd be dangerous for you.
Sorry, there were falling rocks earlier, you can't go this way
Just take my advice and wait to cross it in daylight.
All the injured people were taken to the hospital. If you take the path through the woods, it's right in front of you. But wait until morning.

How did I make it all the way here?!
Halfway there, the snow got all deep and..

After he'd come inside me so many times that I'd lost count..
He finally stopped
When I thought that you'd been injured in that accident...
My mind went completely blank.

"You received a phone call earlier... from a man named Asuka-san."
"Momoki-san? Yuu Momoki-san?"
Huh...?
I didn't tell anyone that I was coming to see you.
Do I have a GPS stuck to me, somewhere?
Come to think of it, how did you know that I was trapped there?
GPS = Global Positioning System
"At the shrine along the path through the woods."
"He said that he would be waiting for you..."
Heeeey, Yui, let's go!!
Everything's ready!
"Yui..."
But don't look down on me because I'm in high school.
Hey! When have I done that??
.....
Huh? When have I looked down on you?
.....
I know sometimes I end up coming too soon.
...but if we're going to sleep together, I'm going to want to do it every day too .. and also...

I depend on you.
Oops

Excuse me. You're the one that still acts...
Wow he's acting like a lady
acting childishly relying on me
"High-schooler" is a touchy subject
Sweat
I'll catch up soon, you know
We're siblings— Asuka Momoka and Yui Momoka.
That's right. Long ago...
...he legally became a member of our family.
I'll catch up—
And then I'll buy a cellphone of my own

"Take care of Asuka, okay?"
It's for our date
he he
Hey, why are you wearing that jacket?
You don't look like a high schooler at all
A fake
In the end, my worries of whether things were cooling down became a distant memory
And I put my plans of becoming a role-model older brother on hold.
The little brother that was my first love has become my wonderful lover
Whoa! It's so pretty! And so high up!!
I'd be lying if I told you that the 5 year age gap doesn't bother me... but look at us!
You're like a little kid.

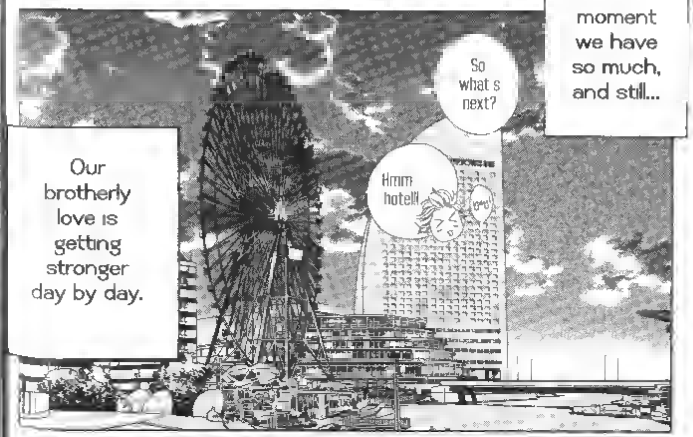
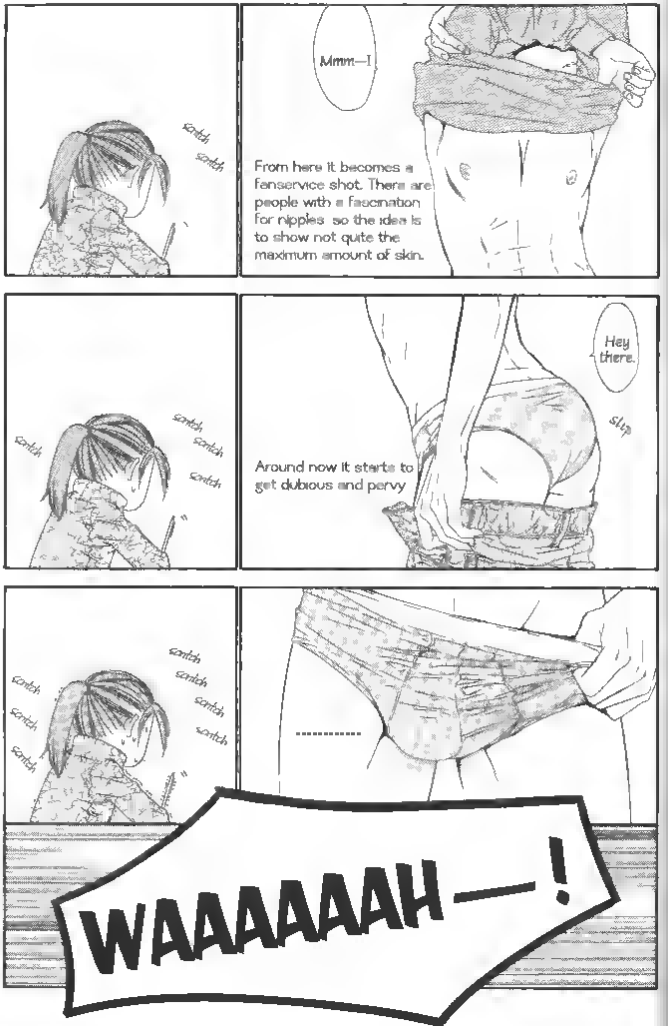
SISTER

Hello everyone, nice to meet you.
I'm Shiori Momoki, 12 years old.
Ehhh— no way!
Shiori-chan, are they really your brothers??
Really really.
Today is my elementary school graduation ceremony.



BROTHER/END



It's often said that erotic scenes are too realistic too sappy, and the authors are frigid when they write them. Some authors say "But I can't bring myself to look directly at that!"... yeah yeah, please, gimme a break.

I CAN'T EITHER!!!!!

Ahh!
squeak
Aahh!
squeak
Un!

Especially with this manga I was was having trouble with that. When I looked at the original pictures to fix the kinky stuff, I seriously got dizzy... and I'm the one who drew them to start with. If I see them too many times when I'm already tired I catch a cold and run a fever. I get so hot~~~ and it won't go away~~~~

In general, to talk about how I like to see boy-on-boy kinky scenes depicted: I think it should present a "sexual mood" from beginning to end.

Dim the genitals as much as possible, make the sex burst out of the frame, etc.

A mood of having sex the whole time. Voices, sweat, facial expressions, everything.

It's said that women are different from men, who are aroused by the direct sense of sight or touch. Instead, women are aroused by recalling the feeling of sexual excitement from images and sounds. In other words, nobody wants realistic depictions of sex in women-oriented boys' manga. Really, they're downright loathed.

And erotic videos aimed at men, if you're not in a special club, then showing completely visible genitals is also taboo. In drawing the body too, from the top of the head to the tip of the toes— if it's taboo then it's taboo.

Getting fresh here

And how many women want their erotica unaltered! Hardly a soul. I think. Maybe. At least around me there aren't many.

Admittedly, when I was young I too saw an uncensored erotic video for the first time, and I thought it was gross and disgusting and it took a while before I could eat raw fish again. When you watch sex objectively, it's amazing how ridiculous and weird it is.

How are the sex scenes that I draw meeting people's needs, since I'm always using second-hand knowledge... I know this... So in that case why can't I stop? Why is that?

Nnf.

Take Asuka, for example. The uke character I adore. I'm drawing a scene where he changes clothes— ordinarily I start drawing from this point, and anyone who sees it will understand that the character is changing clothes.

Translation Notes

• Honorifics

The Japanese culture places strong emphasis on social status distinction and relationship definition. This is expressed through the use of "honorifics," which are titles that suffix names and operate in a similar way to the English prefixes "Mr." "Mrs," "Dr." etc. The absence of an honorific indicates that the speakers are beyond the need for formality either because they are intensely close (ex friends, family, lovers) or the speaker is extremely distant (as an enemy or social superior who feels no need to show respect)

Honorifics used in this volume:

-chan *[chahn]*	In formal situations -chan is reserved for addressing young women or very young boys, but informally it's a "cute-ifier" that you can attach to someone's name to make them cuter. Among classmates, girls get referred to with -chan.
-kun *[koon]*	Very similar to -san except -kun is used for talking about younger people and tends to be specific for males. Among classmates boys get addressed with -kun
-onisan / onichan *[o-nee-sahn]* *[o-nee-chahn]*	Onisan is the formal address for one's older brothers. Onichan is a cute affectionate way of saying "older brother." (Notice the "chan" in it!) You can attach -nichan to their names if you have more than one brother to differentiate between, or you can just call them Nichan.
-san *[sahn]*	Used between peers or strangers to show a medium level of respect. The default honorific.
-sempai *[sehm-pih ee]*	People are expected to address their superiors with -sempai. At school this means any upperclassman, and at work that means co-workers who have been with the company longer than you. (But not bosses, they have their own set of suffixes)
-seme *[seh may]*	The person who penetrates the other partner. Usually the dominant personality in Yaoi mangas. a.k.a. the "top" partner.
-uke *[u-kay]*	The person who receives the penetration by the other partner. Usually the passive personality in Yaoi mangas. a.k.a. the "bottom" partner.

• Pronunciations

ASUKA Momoki	*[Ah-skah Moh moh-kee]*
YUI Momoki	*[Yoo-ee Moh-moh-kee]*
SHIORI Momoki	*[Shee oh-ree Moh moh-kee]*
MITSUO Hiragi	*[Mee tsoo-oh Hee-ra-gee]*
DAMEMOTO	*[Dah-meh-moh toh]*
YUZUHA Ougi	*[Yu zoo ha Oo gee]*

• Note

P120 – Mitsuo dialogue bottom frame
In the Japanese version, the word for fatigue is 'kentaiki' – but Asuka misheard it as 'kentucky' (p121 top frame). In the English version, we adhered to the word-play by using fatigue and intrigue.

I want to strip him!!!!

I want to see him stripped, so these sort of brutal, "I want to strip him" urges attack me without warning. One page of static images can't really do it justice when Asuka's penis's color and penis's texture become an erect penis. I mean how do you draw penises becoming penises? H-H-H want to know! Help me!

(Funny I don't feel this way for seme characters. I wonder why that is.)

Since there's this sort of tension whenever I draw sex, I end up filling every nook and cranny with those sort of realistically grotesque grinding noises...
At a different company when I had to do coloring I worked in the ____ section (which was in beautiful plum colors, by the way) and drew in textures, sound effects, inserted shading, all extremely discouraging... (duh?)

And the type that I like? Non Japanese white guys. I adore things that are kind of absurd... (pant pant) the uncensored image of a pretty, slippery-smooth, clean shaven, hairless white guy is my treasure... teehee.

Is that something separate from my desire to only draw pictures like the one above? He's just about to get something thrust into him, but.
When on earth did I start thinking like a man? When you think about it, it just screams "Billy Milligan" (man famous for multiple personality disorders) so I'm going to quit while I'm ahead. From here on out I plan to make a great effort to improve as much as possible, but in the event that I end up having another seizure from having to look at drawings of intense sex scenes, it would be nice if someone would kindly watch over me... sniff sniff. I have plans to continue this "Brother" series, so be nice to Yu and Asuka...
Lastly to those who filled out the survey and those who sent letters—
You've given me so much encouragement.
Thank you so much.
Then until we meet again in the next comic, be happy with this!
Goodbye, goodbye... goodbye!

P.M.> to E-sama of C prefecture.
I was worried about that frame too, so I tried to fix the drawing.
How is it?

ramblings from

the life of Yuzuha Ougi

Hello! To you people that bought this, people that borrowed it, and those of you who are reading this standing up in a used bookstore, this is Yuzuha Ougi! My second book... this is my second comic book, madam!
Since it took so much time since my first book, "Rising Storm," came out, I kept being distracted looking at copies of the old manuscript but this time even the oldest one was only from about a year ago, so there was no harm done. I'm so full of energy! My title's been released, I feel like shouting!
This time, compared to my first volume that ended up being bogged down in the wilderness of the "boys' love industry," I think I managed to pull through and create a spontaneous work, if I do say so myself.
The entire first volume of the "Brother" series has been in my head since the time I was writing my first book; they'd already become a couple— does that make them my area of expertise? I just think that they're the most fun to draw. In all seriousness, I don't believe that it's boring to draw slow-paced, typical love in bloom... I just think that's so typical of fiction.
I finally tried putting out my first book, and it was like trying to row a boat the size of a leaf across the huge ocean of the publishing industry— I seriously thought it would never end. It's amazing... seeing my own name in bookstores. Baffling. Anyway, I did my best to stay on a steady course towards gradually improving my hand at drawing the color pictures (one way or another) and the sketches (through trial and error).
I'm acting different than I did in writing my first book (this time I'm completely self-conscious), so I've got a different request for you— go easy on me, please.

Now it's time for the free-talk. I tried to be formal

However, it came to me that there's something I can't give up, no matter what.
I understand, logically I understand, so then why, even though I fully comprehend, is this the only situation that I can't give up and can't get over? And this would be...

Ta — da!

Boy's Love Erotica & Me

Shi-shi-shi-shiori!! When did you get here?!
